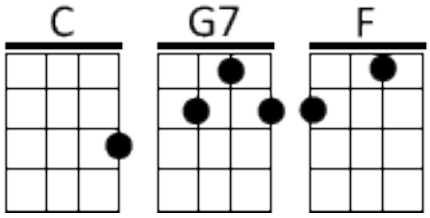
Ten Green Bottles



C G7 C
Ten green bottles hanging on the wall
G7 C
Ten green bottles hanging on the wall
F C G7 F
And if one green bottle should accidentally fall
C G7 C
There'd be nine green bottles hanging on the wall

C G7 C
Nine green bottles hanging on the wall
F C G7 F
And if one green bottle should accidentally fall
C G7 C
There'd be eight green bottles hanging on the wall

etc. ...
