New York, New York!

```
D                           Em     A

                          D                      Em
Start spreading the news, I'm leaving today
            D                Em                        A
I want to be a part of it -      New York, New York
                      D                      Em
These vagabond shoes, are longing to stray
                        D                                  D7
Right through the very heart of it - New York, New York

               G              Gm                    D
I want to wake up in a city, that doesn't sleep
                 F#m                  B7                    Em                 A
And find I'm king of the hill -                top of the heap

                         D                      Em
These little town blues, are melting away
                D                                                D7
I'm gonna make a brand new start of it - in old New York
            G         Gm                    D       B7
If I can make it there, I'll make it anywhere
              Em    A      Em     A      D
It's up to you - New York, New York
```

Play lead with intro.

Repeat verse(s) as needed
