

# Mother's Little Helper

Simplified version for beginners

What a [Am] drag it is getting [Em] old

[Em] Kids are different today I hear ev'ry mother say [Em] Mother needs something today to calm her [F] down

And though [G] she's not really ill there's a [C] little yellow pill She goes [Am] running for the shelter of a mother's little helper And it [Em] helps her on her way gets her through her busy day

[Em] Things are different today I hear ev'ry mother say [Em] Cooking fresh food for a husband's just a [F] drag

So she [G] buys an instant cake and she [C] burns her frozen steak And goes [Am] running for the shelter of a mother's little helper And two [Em] help her on her way get her through her busy day

Doctor [C] please some more of [D] these Outside the [G] door she took four [C] more What a [D] drag it is getting [Em] old.

[Em] Men just aren't the same today I hear ev'ry mother say They just don't appreciate that you get [F] tired

They're so [G] hard to satisfy you can [C] tranquillise your mind So go [Am] running for the shelter of a mother's little helper

And four [Em] help you through the night help to minimize your plight

Doctor [C] please some more of [D] these Outside the [G] door she took four [C] more What a [D] drag it is getting [Em] old

[Em] Life's just much too hard today I hear ev'ry mother say The pursuit of happiness just seems a [F] bore

And if [G] you take more of those you will [C] get an over-dose No more [Am] running for the shelter of a mother's little helper

They just [Em] helped you on your way through your busy dying day
