

Don't You Want Me v2

Chord Tips

Try holding down D with 2nd 3rd and little finger then you just slide them up for the E chord and add your first finger on the first string. You can then slide them up again for the F# chord.

Intro: Em C Em 1st Note C

You were [C]working as a waitress in a [D]cocktail bar [C]When I met [D]you
 I [C]picked you out, I shook you up, and [D]turned you around
 [C]Turned you into someone [D]new
 Now [C]five years later on you've got the [D]world at your feet
 [C]Success has been so easy for [D]you
 But [C] don't forget it's me who put you [D]where you are now C
 And [C]I can put you back down [C]too

[Em]Don't, don't you [Bm]want me?
 You [C]know I can't believe it when I [Am]hear that
 you won't [D]see me
 [Em]Don't, don't you [Bm]want me?
 You [C]know I don't believe you when you [Am]say that
 you don't [D]need me
 It's [E]much too late to find
 You [F#]think you've changed your mind
 You'd [G]better change it back or we will [B]both be sorry

[C]Don't you want me [D]baby? [C]Don't you want me [D]oh
 [C]Don't you want me [D]baby? [C]Don't you want me [D]oh

I was [C]working as a waitress in a [D]cocktail bar [C]That much is [D]true
 But [C]even then I knew I'd find a [D]much better place
 [C]Either with or without [D]you
 The [C]five years we have had have been [C]such good times [C]I still love [D]you
 But [C]now I think it's time I lived my [D]life on my own I [C] guess it's just what
 must [D]do

Rpt [Em]Don't you want me [D]Baby.....
