Dear [D] Darlin' please excuse my [A] writing  
I can't stop my hands from [Em] shaking,  
Cause I'm cold and alone [G] tonight [A] ///  
I [D] miss you and nothing hurts like [A] no you  
and no one understands what we [Em] went through.  
It was short. it was sweet. We [G] tried [A]

Start Note D

And if my [G] words break through the wall and [A] meet you at your door,  
all I could say is: [G] Girl, I mean them [A] all (3 bars)

Dear [D] Darlin' please excuse my [A] writing  
I can't stop my hands from [Em] shaking,  
Cause I'm cold and alone [G] tonight [A] ///  
I [D] miss you and nothing hurts like [A] no you  
and no one understands what we [Em] went through.  
It was short. it was sweet. We [G] tried [A]

Been [D] thinking about the bar we [A] drank in  
Feeling like the sofa was [Em] sinking,  
I was warm in the hope of your [G] eyes.

So if my [G] words break through the wall and [A] meet you at your door,  
all I could say is: [G] Girl, I mean them [A] all (3 bars)

Dear [D] Darlin' please excuse my [A] writing  
I can't stop my hands from [Em] shaking,  
Cause I'm cold and alone [G] tonight [A] ///  
I [D] miss you and nothing hurts like [A] no you  
and no one understands what we [Em] went through.

Oh [G] I con [A] cur. These [G] arms are [A] yours

Dear [D] Darlin' please excuse my [A] writing
