

## Waiting for My Man, Lou Reed Velvet Underground

**C//////// F//////// C//////// F////////**

(C)I'm (F)waitin' for my (C)man (F)  
(C)26 dollars (F)in my (C)hand (F)  
(C)Up to Lexington, (E)125, (F)feel sick and dirty more  
(G)dead than alive  
(C)I'm (F)waitin' for my (C)man (F)

Hey, (C)white boy, (F)what you doin' up(C)town? (F)  
Hey, (C)white boy, you chasin' our (F)women a(C)round?(F)  
Oh (C)pardon me sir, it's the furthest (E)from my mind  
(F)I'm just lookin' for a (G)dear dear friend of mine  
(C)I'm (F)waitin' for my (C)man (F)

(C)Here he comes, he's all (F)dressed in (C)black (F)  
(C)PR shoes and a (F)big straw (C)hat (F)  
(C)He's never early, (E)he's always late  
(F)First thing you learn is you (G)always gotta wait  
(C)I'm (F)waitin' for my (C)man (F)

Up to a (C)Brownstone, up (F)three flights of (C)stairs (F)  
(C)Everybody's pinned you, but (F)nobody (C)cares (F)  
(C)He's got the works, (E)gives you sweet taste  
Ah (F)then you gotta split because you (G)got no time to waste  
(C)I'm (F)waitin' for my (C)man (F)

(C)Baby don't you holler, darlin' don't you (F)bawl and (C)shout (F)  
(C)I'm feeling good, I'm gonna (F)work it on (C)out (F)  
(C)I'm feeling good, (E)I'm feeling fine  
(F)Until tomorrow, but that's (G)just some other time  
(C)I'm (F)waitin' for my (C)man (F)

C's and F's fading out....
