

Always Look on the Bright Side of Life

Some things in life are bad, they can really make you mad

*First verse spoken
Play single strums*

Other things just make you swear and curse

When you're chewing on life's gristle

Don't grumble, give a whistle

And this'll help things turn out for the best ... and ...

Always look on the bright side of life (...whistle...)

Always look on the light side of life (...whistle...)

If life seems jolly rotten, there's something you've forgotten

And that's to laugh and smile and dance and sing

When you're feeling in the dumps, don't be silly chumps

Just purse your lips and whistle, that's the thing ... and ...

Always look on the bright side of life (...whistle...)

Always look on the light side of life (...whistle...)

For life is quite absurd, and death's the final word

You must always face the curtain with a bow

Forget about your sin, give the audience a grin

Enjoy it, it's your last chance anyhow! ... so ...

Always look on the bright side of death (...whistle...)

Just before you draw your terminal breath (...whistle...)

Life's a piece of shit, when you look at it

Life's a laugh and death's a joke it's true

You'll see it's all a show, keep them laughing as you go

Just remember that the last laugh is on you ... and ...

Always look on the bright side of life (...whistle...)

Repeat last line until bored
