Intro G, F, C x2

G F  
Can you hear them They talk about us  
C  
Telling lies, well that's no surprise  
G F  
Can you see them See right through them  
C  
They have a shield, no secrets to reveal

Bb F  
It doesn't matter what they say  
Bb D G  
In the jealous games people play,  
C G  
Our lips are sealed

G F  
There's a weapon That we must use  
C  
In our defence, silence  
G F  
When you look at them Look right through them  
C  
That's when they'll disappear, that's when we'll be feared

Bb F  
It doesn't matter what they say  
Bb D G  
In the jealous games people play,  
C G  
Our lips are sealed

Bb F  
Pay no mind to what they say  
Bb D G  
It doesn't matter anyway,  
C G  
Our lips are sealed

Bridge - Descant over G chords

Hush, my darling, don't you cry  
Quiet, angel, forget their lies Repeat all, then end with

C G C G C G5  
Our lips are Sealed, Our lips are Sealed, Our lips are Sealed!
