

Two Bars G intro \\\ \\\

G C D  
I sing myself to sleep A song from the darkest hour

G C D  
Secrets I can't keep Inside of the day.

G C D  
Swing from high to deep Extremes of sweet and sour

G C D  
Hope that God exists I hope I pray

G C D  
Drawn by the under tow my life is outa control

G C D  
I believe this wave will bear my weight so let it flow

G C D  
**Oh sit down Oh sit down Oh sit down Sit down next to me**

G C D  
**Sit down Sit down Sit down Sit down Down in sympathy**

*[Sit down down down down - alternative words]*

Two Bars G \\\ \\\

G C D  
Now I relieved to hear, that you've been to some far out places

G C D  
It's hard to carry on When you feel all alone

G C D  
The wisdom that I seek, has been found in the strangest places

G C D  
Feels a lot like love That I feel for you

G C D  
Now I've swung back down again And it's worse than it was before

G C D  
If I hadn't seen such riches I could live with being poor

G C D  
**Oh sit down Oh sit down Oh sit down Sit down next to me**

G C D  
**Sit down Sit down Sit down Sit down Down in sympathy**

*[Sit down down down down - alternative words]*
