

C F G F C F G F [same chords all the way through]
Oh, well, in five years time we could be walking round the zoo
With the sun shining down over me and you
And there'll be love in the bodies of the elephants too
And I'll put my hands over your eyes, but you'll peep through

And there'll be sun, sun, sun
All over our bodies.
And sun, sun, sun
All down our necks
There'll be sun, sun, sun
All over our faces
And sun, sun, sun
So, what the heck

'cause i'll be laughing at all your silly little jokes
And we'll be laughing about how we use to smoke
All those stupid little cigarettes and drink stupid wine
'cause it's what we needed to have good times

But it was fun, fun, fun
When we were drinking.
It was fun, fun, fun
When we were drunk
And it was fun, fun, fun
When we were laughing
It was fun, fun, fun
Oh, it was fun. CFGF x2

Oh, well, I look at you and say : "it's the happiest that i've ever been"
And i'll say: "i know how you feel i have to be james dean"
And she'll say: "yeah, well i feel all pretty happy too,
and i'm always pretty happy when i'm
Just kicking about with you"

And it'll be love, love, love
all through our bodies
Love, love, love
All through our minds
And it'll be love, love, love
All over her face
And love, love, love
All over mine

Although maybe all these moments are just in my head
I'll be thinking about them and as I'm lying in bed
And i know that in belief that might not even come true
But in my mind i'm having a pretty good time with you

Five years time
I might not know you
Five years time
We might not speak
And five years time
We might not get along
Five years time
We might just prove me wrong

Oh, there'll be love, love, love
Wherever you go
There'll be love, love, love
Wherever you go
