

1 2 1234 <[A7]>

Don't call me [D] baby. When [G] she is waiting in the [D] car.
It [G] took so long to get this [D] far. Don't call me [A] baby. [STOP]

You said for-[D]-ever, and [G] then you went and changed your [D] plans.
You said that [G] someday I would under[D]stand,
But I still [A] wonder. [A] I wonder why we are not

[D] Walking, and [Bm] fighting and [C] asking for [A] favors.
[D] Meeting at [Bm] midnight while a-[C]-voiding all the [A] neighbors.
[D] Time is a [Bm] distance that you [C] can't retract by [A] miles
If I [G] saw you again I'd [A] smile, but I'd <[A7]> say

Don't call me [D] baby. When [G] she is waiting in the [D] car.
It [G] took so long to get this [D] far. Don't call me [A] baby. [STOP]

| [Bm] / [G] / |[D] / [A] / |[Bm] / [G] / |[D] / [D] / |[G] ///|/////|[A]

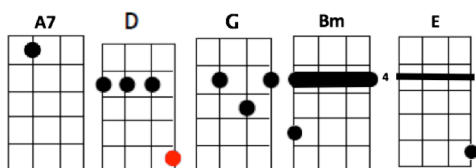

I think, she's [D] pretty, and I [G] think that you have done quite [D] well.
I [G] still say, you can never [D] tell I wouldn't [A] be surprised.
You'll never know, we could be

[D] Walking, and [Bm] fighting and [C] asking for [A] favors.
[D] Meeting at [Bm] midnight while a-[C]-voiding all the [A] neighbors.
[D] Time is a [Bm] distance that you [C] can't retract by [A] miles
If I [G] saw you again I'd [A] smile, but I'd [A7] say

Don't call me [D] baby. When [G] we were not the way we [D] are.
It [G] took so long to get this [D] far. Don't call me [A] baby. [STOP]

[Bm] Sometimes down town [G] I think I see you,
But [D] I don't say a word because there [E] is somebody new.
[Bm] It's too late to matter, [G] but no such thing is true.
[D] You're in the shadows 'til you [E] left me in the dark.
<[E]> Don't call me, <[E]> Don't call me, <[E]> Don't call me, <[E]> Don't call me

[A] Baby [D] Don't call me . . . x 8 times end on <[A]> Baby.
