

Sympathy for the Devil

[E]Please allow me to intro-[D]duce myself,
I'm a [A]man of wealth and [E] taste
[E]I've been around for a [D]long long year
Stolen [A]many a mans soul and [E]faith
[E]I was around when [D]Jesus Christ
Had his[A]moment of doubt and [E]pain
[E]Made damn sure that [D]Pilate
Washed his [A]hands and sealed his [E]fate //|/////|

Chorus [B]Pleased to meet you, hope you [A]guessed my [E]name
But what's [B]puzzlin you is the [A] nature of my [E]game //|/////|

[E]Stuck around St [D]Petersburg
When I[A]saw it was a time for a [E]change.
[E]Killed the Tsar and his [D]Ministers,
Anas-[A]-tasia screamed in [E]vain
[E]I rode a tank, held a [D]General's rank,
When the [A]Blitzkrieg raged, and the [E]bodies stank //|/////|

Repeat chorus

I [E]watched with glee while your [D]Kings and Queens
Fought for [A]ten decades for the [E]Gods they made
I [E]shouted out "Who killed the [D]Kennedys?"
When [A]after all it was [E]you and me,
[E]Let me please intro-[D]-duce myself, I'm a
[A] Man of wealth and [E]taste
[E]And I lay traps for [D]troubadours
Who get [A]killed before they reach Bom-[E]-bay ///|/////|

Repeat chorus / Instrumental [E] ///| [D] ///| [A] ///| [E] ///| x 4 / Repeat chorus

Just as [E]every cop is a [D]criminal,
And [A]all the sinners [E]saints
As [E]heads is tails just call me [D]Lucifer
Coz I'm in [A]need of some res-[E]-trait
So if you [E]meet me have some [D]courtesy
Have some [A]sympathy, and some [E]taste
Use [E]all your well-learned [D]politesse
Or I'll [A]lay your soul to [E]waste ///|/////|

Chorus x 2
