Oh the [G]bitter [Bm]winds are [Em]coming [C]in
 And I'm [G]already [Bm]missing the [Em]summer [C]
 [G]Stockholm's [Bm]cold but [Em]I've been [C]told
 I was [G]born to en-[Bm]-dure this kind of [Em]weather [C]
 When it's [G]you I [Bm]find like a [Em]ghost in my [C]mind
 I am de-[G]-feated and I [Bm]gladly wear the [D]crown ///|////|////|////|

[G]I'll be your Emmylou and [C]I'll be your June
 If [Em]you'll be my Gram and my [D]Johnny too
 No, I'm [G]not asking [C]much of you
 Just [Em]sing little [D]darling, sing with [G]me ///|////|////|////|

Now so [G]much I [Bm]know that [Em]things just don't [C]grow
 If you [G]don't – [Bm]bless them with your [Em]patience [C]
 And I've [G]been there be-[Bm]-fore, I [Em]held up the [C]door
 For [G]every [Bm]stranger with a [Em]promise [C]
 But I'm [G]holding [Bm]back, that's the [Em]strength that I [C]lack
 Every [G]morning keeps re-[Bm]-turning at my [Em]window [C]
 And it [G]brings me to [Bm]you and I [Em]won't just pass [C]through
 But [G]I'm not - [Bm]asking for a [D]storm ///|////|////|////|

[G]I'll be your Emmylou and [C]I'll be your June
 If [Em]you'll be my Gram and my [D]Johnny too
 No, I'm [G]not asking [C]much of you
 Just [Em]sing little [D]darling, sing with [G]me ///|////|////|////|

[Em]And ye-eh-es [D]I mi-i-ight [C] have lied to [G] you
 [Em]But you wouldn't [D]benefi-ii-t [C]from knowing of the [G]truth
 [Em]I wa-a-as [D]frightened bu-u-ut [C]I held fa-a-[G]ast
 [Em]I ne-ee-ed [D]-ed you no-ow-ow at [C]long la-a-[G]ast ////|////|////|

<[G]>I'll be your Emmylou and <[C]> I'll be your June
