[Dm] [Am] [Bb] [Dm] [F] [C] [Dm]

A [Dm] spaceman came [F] travelling on his [C] ship from a-[Dm] far /
'Twas [F] light years of [C] time since his [Bb] mission did start /
And [Dm] over a [Am] village he [Bb] halted his [Dm] craft
and it [F] hung in the [C] sky like a [Bb] star // (just) <[Bb]> like <[C]> a [Dm] star ///

He [Dm] followed a [F] light and came [C] down to a [Dm] shed /
Where [F] mother and [C] child (were lying) [Bb] there on a bed /
A [Dm] bright light of [Am] sil- ver-er [Bb] shone round his [Dm] head / and
[F] he had the [C] face of an [Bb] angel and <[Bb]> they <[C]> were [Dm] afraid ///

[Dm] When the stranger [F] spoke / (he) [C] said 'Do not [Dm] fear! /
I [F] come from [C] planet a [Bb] long way from here /
And [Dm] I bring a [Am] message for [Bb] mankind to [Dm] hear" / [F] Suddenly
the [C] sweet-e-est [Bb] mu- / sic filled <[C]> the [Dm] air / and it [C] went

[Dm] Laa la-la [Am] Laa la-la [Bb] Laa la-la [Dm] Laa /
[F] Laa la-la [C] Laa la-la [Dm] Laa ///
[Dm] Laa la-la [Am] Laa la-la [Bb] Laa la-la [Dm] Laa [F] Peace and good [C] will
to all [Dm] men / and <[Bb]> love <[C]> to the [Dm] child ///

[Dm] This lovely [F] music went [C] trembling (through the) [Dm] ground /
and [F] many were [C] wakened on [Bb] hearing the sound /
And [Dm] trav'lers on the [Am] roa-oad the [Bb] village they [Dm] found
by the [F] light of that [C] ship in the [Bb] sky /
which <[Bb]> shone <[C]> all a-[Dm] round ///

And [Dm] just before [F] dawn at the [C] paling (of the) [Dm] sky /
The [F] stranger re-[C] turned and said [Bb] "Now I must fly /
When [Dm] two thousand [Am] years of your [Bb] time has gone [Dm] by /
This [F] song will be-[C] gin once a-[Dm] gain / to a ba-<[C]> by's [Dm] cry /

And I <[C]> hear [Dm] Laa la-la [Am] Laa la-la [Bb] Laa la-la [Dm] Laa /
[F] Laa la-la [C] Laa la-la [Dm] Laa ///
[Dm] Laa la-la [Am] Laa la-la [Bb] Laa la-la [Dm] Laa
This [F] song will be-[C] gin once a-[Dm] gain / to a ba-<[C]> by's <[Dm]> cry
