[A] DDDD [A] DDD There's a [A] girl from Brazil
she was born to move her [E7] hips
Can't keep her feet still, always looking for atten- / tion/
She us-es her eyes to [A] turn a small flame in-to a fi-ire
She's a [A] girl from a town, when nobody knows your [E7] name
When nobody's found/ and no one ever sees the bright lights now
As she spends every night / she [A] danced her way to a better life /
