Billy Joel

[G] [C] [D]

[G] / In the middle of a (/ / I go walking in) [G] / In the middle of (I go walking in)

[C] / In the middle of a (I go walking in) [D] / In the middle of (I go walking in)

(Start note D) / In the middle of the [G] ni-i-ight // I go walking in my slee-ee-eep //

From the mountains of [C] faith // to a river so [D] dee-ee-eep //

[G] I must be looking for something // Something sacred I lo-o-o-ost //

But the river is [C] wide // and it's too hard to [D] cro-o-o-oss //

[Em] / Even though I know the [D] river is wide

I walk down [C] every evening and I [Am] stand on the shore /

[Em] / I try to cross to the [D] opposite side

So I can [Am] finally see what I've been [D] looking for //

/ In the middle of the [G] ni-i-ight // I go walking in my sleep //

Through the valley of [C] fear // to a river so [D] dee-ee-eep //

[G] I've been searching for something // Taken out of my sou-ou-ou-oul //

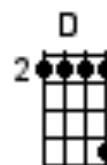

Something I'd never [C] lo—oose // Something somebody [D] sto-o-ole //

[Em] I don't know why I go [D] walkin' at night

But now I'm [C] tired and I don't [Am] walk anymore /

[Em] I hope it doesn't take the [D] rest of my life

Until I [Am] find what it is I've been [D] lookin' for //

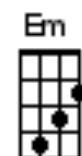

/ In the middle of the [G] night // I go walking in my slee-ee-eep //

Through the jungle of [C] doubt // to a river so [D] dee-ee-eep //

[G] I know I'm searching for something // Something so undefi-i-ined //

That it only can be [C] se-e-eeen // by the eyes of the [D] bli-i-ind //

In the middle of the [G] night // [C] [D]

[Em] / Not sure about a [D] life after this

God [C] knows I've never been a [Am] spiritual man /

[Em] / Baptised by fire I [Am] wade into the river

That is runnin' through the [D] promised land / <[D]> 234 1234

/ In the middle of the [G] night // I go walking in my slee-ee-eep //

Through the desert of [C] truth // to a river so [D] dee-ee-eep //

We all end in the [G] ocean // we all start in the streams //

We're all carried a-[C] long // by the river of [C] dreams //

In the middle of the <[G]> night
