[Dm] I know something about [A] love you gotta want it bad
[Dm] If that guy got into your [A] blood go out and get him
[D] If you want him to be [G] the very part of you
[D] That makes you want to breathe [A] here's the thing to do
[D] Tell him that you're never gonna leave him
[G] Tell him that you're always gonna love him
[D] Tell him, tell him, [A] tell him, tell him right [D] now.
[Dm] I know something about [A] love you gotta show it
[Dm] And make him see the moon up above [A] go out and get him
[D] If you want him to be [G] always by your side
[D] If you want him to [A] only think of you
[D] Tell him that you're never gonna leave him
[G] Tell him that you're always gonna love him
[D] Tell him, tell him, [A] tell him, tell him right [D] now
Ever [D] since the world began [Bm] it's been that way for man
And if [G] women were cre[A]ated
To make [D] love their destiny then [G] why should true love be
[E7] So compli[A]cated?
[Dm] I know something about [A] love you gotta take his hand and
[Dm] show him what the world is made [A] of one kiss will prove it
[D] If you want him to be [G] always by your side
[D] take his hand tonight [A] swallow your foolish pride and
[D] Tell him that you're never gonna leave him
[G] Tell him that you're always gonna love him
[D] Tell him, tell him, [A] tell him, tell him right [D] now
[D] Tell him that you're never gonna leave him
[G] Tell him that you're always gonna love him
[D] Tell him, tell him, [A] tell him, tell him right [D] now
