and I ride and I ride
I ride through the city's backsides
I see the stars come out of the sky
Yeah, the bright and hollow sky
You know it looks so good tonight

I am the passenger
I stay under glass
I look through my window so bright

We'll see the stars that shine so bright
Stars made for us tonight

Oh, the passenger
How, how he rides
Oh, the passenger
He rides and he rides
He looks through his window *sing higher*
What does he see?
He sees the sign and hollow sky
He sees the stars come out tonight
He sees the city's ripped backsides
He sees the winding ocean drive
And everything was made for you and me
All of it was made for you and me
'Cause it just belongs to you and me
So let's take a ride and see what's mine
