[C] I'd rather be liberated, [G] I find myself captivated

[Am] - Stop doing what you. [G] - Keep doing it too.

[C] I'd rather stay bold and lonely, [G] I dream I'm your one and only

[Am] - Stop doing what you. [G] - Keep doing it too

[F] Things are getting strange, I'm [Am] starting to worry

[Em] This could be a case for [E7] Mulder and Scully

[F] Things are getting strange, now [Am] I can't sleep a-[Bb]-lone [Dm] / [G] /

[C] I'd rather be jumping ship, [G] I find myself jumping straight in

[Am] - Stop doing what you. [G] - Keep doing it too.

[C] Forever be dozy and dim, [G] I wake myself thinking of him

[Am] - Stop doing what you. [G] - Keep doing it too.

[F] Things are getting strange, I'm [Am] starting to worry

[Em] This could be a case for [E7] Mulder and Scully

[F] Things are getting strange, now [Am] I can't sleep [Em] alone [E7] here

My bed is made for [F] two and there's nothing I can [Fm] do

So tell me something [G] I don't [C] know

If my head is full of [F] you is there nothing I can [Fm] do?

Must we all march in [G] two by [G] two by [G] two? /// |

[C] And as for some happy ending, [G] I'd rather stay single and

[Am] thin **Stop** doing what you. [G] Keep doing it too me

[F] Things are getting strange, I'm [Am] starting to worry

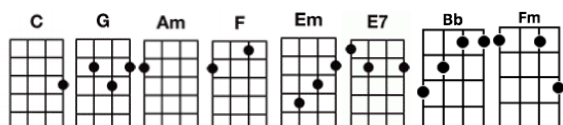

[Em] This could be a case for [E7] Mulder and Scully

[F] Things are getting strange, now [Am] I can't sleep [Em] alone [E7] here

[F] Things are getting strange, I'm [Am] starting to worry

[Em] This could be a case for [E7] Mulder and Scully

[F] Things are getting strange, now [Am] I can't sleep [Bb] alone <[Bb]> <[Bb]> [F]
