They're gonna [E] clean up your looks, with all the [E] lies and the books
To make a [E] citizen out of [B] you
Because they [A] sleep with a gun and keep an [E] eye on you son
So they can [B] watch all the things you [E] do

Another [B] cog in the murder mach<E>ine.

They say all [E] teenagers scare the living [E] shit out of me.
[E] They couldn't care less as long as [B] someone will bleed.
So [A] darken your clothes, or strike a [E] violent pose
Maybe they'll [B] leave you alone, but not [E] me!

The boys and [E] girls in the clique, the awful [E] names that they stick
You're never [E] gonna fit in much [B] kid
But if you're [A] troubled and hurt, what you got [E] under your shirt
We'll make them [B] pay for the things that they <E> did

They say all [E] teenagers scare the living [E] shit out of me.
[E] They couldn't care less as long as [B] someone will bleed.
So [A] darken your clothes, or strike a [E] violent pose
Maybe they'll [B] leave you alone, but not [E] me!
