G/// C/ D/ G/// C/ D/
G/// C/ D/ G/// C/ D/

I've had [G] relations [C] with [D] girls from many [G] nations [C]/ [D]/
I've made [G] passes [C] at [D] women of all [G] classes [C]/ [D]/
And [G] just because you're [C] gay [D]/ [G] I won't turn you away [C]/ [D]/
[G] If you stick a-[C]-round [D]/ [G] I'm sure that we can find
some [C] common [D] ground

[Em] Sexuali-[D]-ty, [G] Strong and warm and [C] wild and free
[Em] Sexuali-[D]-ty, Your [Em] laws do not [C] apply to [D] me

A [G] nuclear subma-[C]-rine sinks [D] off the coast of [G] Sweden [C]/ [D]/
[G] Headlines give me [C] headaches [D] when I read [G] them [C]/ [D]/
I had an [G] uncle who once [C] played [D] for Red Star Bel-[C]-grade [D]/
He said [G] some things are [C] really best left un-[D]-spoken
But [G] I prefer it all to be [C] out in the [D] open

[Em] Sexuali-[D]-ty, [G] Strong and warm and [C] wild and free
[Em] Sexuali-[D]-ty, Your [Em] laws do not [C] apply to [D] me
[Em] Sexuali-[D]-ty, Don't [G] threaten me with [C] misery
[Em] Sexuali-[D]-ty, [Em] I demand e-[C]-quali-[D]-ty

I'm [Bm] sure that every[Em]body knows how [C] much my body [D] hates me
It [Bm]lets me down most [Em]every time and [C]makes me rash and [D]hasty
I [Bm]feel a total [Em]jerk before your [Bm]naked body of [C]work[D]

I'm getting [G] weighed down [D]/ [G] with all this infor-[G]-mation [C]/ [D]/
[G] Safe sex doesn't mean [C] no sex [D] it just means
[G] use your imagi-[C]-nation [D]
Stop [G] playing with your-[C]-selves [D] in hard [G] currency ho-[C]-tels [D]/
I [G] look like Robert De [C] Niro [D], I drive a [G] Mitsubishi [C] Zero [D] /

[Em] Sexuali-[D]-ty, [G] Strong and warm and [C] wild and free
[Em] Sexuali-[D]-ty, Your [Em] laws do not [C] apply to [D] me
[Em] Sexuali-[D]-ty, Come [G] eat and drink and [C] sleep with me
[Em] Sexuali-[D]-ty, [Em] We can be what we [C] want to [D] be <G>
