[F] Never get too big, never get too heavy

[F] Never get too cool, you start payin' your dues

[Bb] Yeah, what can a poor boy [F] do?

Better go [C] back to your mamma, [Bb] she'll take care of [F] you

[F] Lost your wife, lost your son,

[F] Stay out drinking til the mornin' comes

But ye-[Bb]-ah, what can a poor boy [F] do?

Better go [C] back to your mamma, [Bb] she'll take care of [F] you

[CHORUS] Country [F] girl take my hand, lead me [Bb] through this diseased land

I am [F] tired, I am weak, I am [C] worn,

I have[F] stole, I have sinned, oh my [Bb] soul is unclean,

Country [F] girl, got to [C]keep on keeping [F] on

[F] Crazy women, mess your head,

Wake [F] up drunk and bleeding in [F] some strange bed

Oh ye-[Bb]-ah! What can a poor boy [F] do?

Better go [C] back to your mamma, [Bb] she'll take care of [F] you

[CHORUS] Country [F] girl take my hand, lead me [Bb] through this diseased land

I am [F] tired, I am weak, I am [C] worn,

I have[F] stole, I have sinned, oh my [Bb] soul is unclean,

Country [F] girl, got to [C]keep on keeping [F] on

[BRIDGE] Gotta [Bb] keep on keeping [F] on

Gotta [Bb] keep on keeping [F] strong,

Gotta [Bb] keep on keeping [F] on

When [C]you..[STOP!] Got the riot city blues

One [F] thing I have to say before I have to go,

Be [F] careful with your seed, you'll reap just what you sow

But ye-[Bb]-ah, what can a poor boy [F] do? (What can I do?)

Better go [C] back to your mamma, [Bb] she'll take care of [F] you (One last time!)
