My [C]daddy was the family [C]bassman,
My [C]mamma was an engin-[C]-eer
And [C]I was born one [C]dark grey morn
With [F]music coming in my [F]ears, in my [C]ears [C] / / / |

They [F]call me Baby [F]Driver
And [F]once upon a pair of [F] wheels, (I hit-the-road-and-I'm)
[C]Go-o-ne, <[C]> what's <[B]> my <[Bb]> num-<[A]>-ber?
I [Dm] wonder how your engines [Dm7]feel, (Rmm-ba-ba-ba-ba)
[C]Scoot down the road, <[C]> what's <[B]> my <[Bb]> num-<[A]>-ber?
I [Dm] wonder how your [G7] engines [C] feel (Shine [C] a light)

[C]Woo-uhh-uhh [C] woo-uhh-uhh [C] woo-uhh-uhh [C] do-do-do-do-do
[F]dodoe [F] wee-dee-de- [C] doee [C] /// |

My [C] daddy was a prominent [C]frogman,
My [C]mamma's in the Naval Re-[C]-serve
When [C]I was young I [C]carried a gun
But I [F]never got the chance to [F]serve, I did not [C]serve [C] / / / |

They [F]call me Baby [F]Driver
And [F]once upon a pair of [F] wheels, (I hit-the-road-and-I'm)
[C]Go-o-ne, <[C]> what's <[B]> my <[Bb]> num-<[A]>-ber?
I [Dm] wonder how your engines [Dm7]feel, (Rmm-ba-ba-ba-ba)
[C]Scoot down the road, <[C]> what's <[B]> my <[Bb]> num-<[A]>-ber?
I [Dm] wonder how your [G7] engines [C] feel [C] / / / |

My [C]daddy got a big pro-[C]motion,
My [C]mamma got a raise in [C]pay
There's [C]no-one home, we're [C]all alone
Oh [F]come to my room and [F]play yes, we can [C]play [C] / / / |

I'm not [F]talking about your [F]pigtails
But I'm [F]talking 'bout your sex a-[F]-ppeal, (I hit-the-road-and-I'm)
